LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.

He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs. I was a physical wreck. I could not sleep, and was as near crazy as a mar could well be.

I must say that after taking two 25-cent packages of Theodore's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron. This purely vegetable remedy has been successful use for more than 70 years. Try it. But be sure that it's 'Theodore's'."

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck, of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.—Advertisement.

FAILURES

As Reported for a Period by the Concern of Dunn and Company.

(By R. G. Dunn and Company.)

During February there were 1,454 commercial failures reported to R. G. Dunn and Company, with an aggregate indebtedness of \$28,141,258, this record being much more favorable in point of number than as regards amount, although after eliminating three defaults of unusual size the exhibit of liabilities is by no means bad. The 1,454 insolvencies last month compared with 1,539 in 1912, 1,198 in 1911, 1,067 in 1910 and 1,105 in 1909. In February, 1908, the suspensions numbered 1,621. There were 360 fewer defaults in February than there were in January. The total liabilities of \$28,141,258 compared with \$21,477,923 in 1912, \$17,086,471 in 1911, \$27,434,829 in 1910, \$16,734,813 in 1909 and \$27,964,571 in 1908. There were twenty-three failures for \$100,000 or more, including an iron and steel concern, a crude rubber concern and a copper company, totalled \$13,000,000. These three failures explain the high total of liabilities for the month and allowance should be made for this fact in instituting comparisons with previous years. There were, on the other hand, 1,431 insolvencies for less than \$100,000, with liabilities of \$10,869,661, this being considerably under last year in both number and amount, while the average liabilities of these smaller defaults was only \$7,596 per failure against \$8,947 in 1912, \$8,656 in 1911, \$8,451 in 1910 and \$6,879 in 1909.

CAMPAIGN

Is Turned over to the Boys of the City for the Coming Week.

As the Telegram went to press the Young Men's Christian Association headquarters reported that 2,025 applications had been turned in. This will undoubtedly rise up into the 2,100's before the day is over. All the flags were hoisted at 11:40 this morning denoting that the 2,000 mark had been reached.

The honor roll now is Robert Travis 187, Charles T. Coleman 170, Robert Duthie 192, Mrs. Walter Barger 108, Wayne Harding 92, Bryson J. Schutte 70, John Koblegard 84, Mrs. C. H. Harding 57.

Next week will follow a more systematic canvass of the field for membership, which was the original plan of the executive committee, when the enthusiasm of the boys appealed to the committee to such an extent that the committee decided to turn over the campaign to the boys for one week.

John Basic, a local coal miner, was fined \$1 and costs Saturday afternoon in Justice T. G. Nicewarner's court for being drunk and disorderly the night before at the Baltimore and Ohio railroad station. He paid the fine and was released.
